

WE BELIEVE IN
Quality

Our caregivers are trained specialists, and we are committed to their professional development, including ongoing training and certification in Alzheimer's and dementia care.

WE BELIEVE IN
Compassion

We pride ourselves on our mission of building community and making connections. Our team embraces these principles, and is sensitive and empathetic to all of your needs.

WE BELIEVE IN
Versatility

Our service packages are diverse and intended to meet the individual needs of each client—from meal preparation and transportation to doctor appointments and surgery recovery.

Bringing care home.

WHY SMITHLIFE HOMECARE?

We believe that expectations are meant to be **exceeded.**

Quality, compassion and versatility matter. At SmithLife Homecare, we know this because we listen to our clients and understand what is important when it comes to making decisions about care in your home.

We are proud that our team embraces these values every day. Our caregivers aren't simply providing services—they are **making connections.**

COMMITTED TO QUALITY.

Our partnership with Charles E. Smith Life Communities means we also have access to resources throughout our community, as well as expertise in geriatrics.
