

**KEEP CALM.
WE'RE OPEN.**

We're Still Here For You!

With the world focused on COVID-19, families and their loved ones still need access to high-quality homecare for a variety of needs.

We are here to help you stay safe at home, or wherever you are temporarily calling home. The safety and well-being of our clients has always been our top priority.

smithlifehomecare.com

During the COVID-19 public health emergency, we are taking additional measures to help prevent the spread of the disease based on CDC guidelines. **Starting June 17th, 2020, SmithLife Homecare caregivers are routinely tested for COVID-19.** Caregivers are required to wear PPE. We are doing everything we can to ensure that you, your loved one, and our staff are safe. We are ready.

Enhanced Safety Measures That You And Your Loved One Deserve

- **Testing All Caregivers:** Starting June 17th, 2020, Caregivers will start routine COVID-19 testing.
- **PPE for Staff:** All caregivers are **required** to wear PPE while caring for our clients. We provide our caregivers with proper PPE.
- **Clients:** **New off-site clients, residing in a private home, will be gifted with a no contact thermometer as an added safety measure. Free of charge.** We ask that clients wear a cloth mask.
- **Staff Self-Screening:** In addition to routine COVID-19 testing, employees are **required** to complete a daily self-assessment.

We have been caring for families and helping to keep them safe for over 20 years. We are open and ready to provide homecare for you.
