

WE BELIEVE IN

Quality

Our caregivers are trained specialists, and we are committed to their professional development, including ongoing training in Alzheimer's, Parkinson's, stroke, dementia care, and hospice care, to name a few.

WE BELIEVE IN

Compassion

We pride ourselves on our mission of building community and making connections. Our team embraces these principles, and is sensitive and empathetic to all of your needs.

WE BELIEVE IN

Flexibility

Our service packages are diverse and intended to meet the individual needs of each client. As care needs change for your loved one (aging in place), your schedule can be adjusted without delay or penalty.

Bringing care home.

WHY SMITHLIFE HOMECARE?

We believe that expectations are meant to be **exceeded.**

Quality, compassion and flexibility matter. At SmithLife Homecare, we know this because we listen to our clients and understand what is important when it comes to making decisions about care in your home.

We are proud that our team embraces these values every day. Our HHA and CNA caregivers aren't simply providing services—they are **making connections.**

COMMITTED TO QUALITY.

Our partnership with Charles E. Smith Life Communities means we also have access to resources throughout our community, as well as expertise in geriatric support.

Our Services

Personal Care

Get assistance with daily life.

- Assistance with daily tasks like getting dressed, bathing, and using the bathroom
- Daily housekeeping tasks including laundry, dishes and taking out the trash
- Support from our caregivers in keeping kosher
- We can provide companion care or personal needs care. Just ask us!

Health Support

Keep healthy habits on track.

- Reminders for daily medication and other wellness needs
- Guidance through a variety of healthy exercises to keep you moving
- Complimentary RN in Home Assessment to ensure personalized care plan
- Complimentary initial Home Safety Assessment per request

Lifestyle Services

Maintain an active lifestyle.

- Local transportation to doctor's appointments
- Companion care around the house or around town when needed
- Facilitating digital communication with family, friends, and homecare providers
- We can provide 24/7 care

Short-Term Needs

Get an extra hand.

- Outpatient procedure logistics, including transportation and post-procedure care
- Assistance with recovery from outpatient procedures, surgery and physician appointments
- We can be there when you cannot. Ask us about approved safety sitters in hospitals and rehabilitation centers
